PROGRAMS

The author event at the Northport Performing Arts Center with William Kent Kruger was a great success. We have received nothing but great feedback on this program. Summinars have begun for the summer with 24 people attending the first session.

FRIENDS & VOLUNTEERS

Friends totes and stickers have arrived and are being sold at the front desk. The Friends annual meeting will be June 20, at 11:00 am.

BUILDING & GROUNDS

Ken Hagstrom is back on the job for the township and he is now taking care of landscaping. The irrigation system was turned on by Lautner Irrigation for the year. The spring deep clean was done by Solutions 4 You on April 28.

TECHNOLOGY

The Tech Tuesday workshops are done for the summer and will resume in September. We had 4 attendees for the workshop here.

BUDGET INFORMATION:

Financial Reports for April 2024 are attached with this report. With 17% of the fiscal year elapsed we have spent 17% of the budget. We have received the last tax capture payment from Leelanau County making up for delinquent taxes.

MISCELLANEOUS:

The Teen Advisory Committee (LIT) has been creating some great displays for the Library. They intend on continuing to meet throughout the summer but we will have to see how that goes.

I met online with Rotary Charities to give them a six-month update on our construction project. They understand and support the changes we are making to the project and will be interested to see how we are doing in another six months.
