May 31 Storytime

### **PROGRAMS**

William Kent Krueger will be at the Northport Performing Arts Center at the school on May 18 at 7:00 pm. Over 300 people have signed up to attend. I will be having dinner with Kent, and Aaron Stander Friday night, and then lunch on Saturday with Kent and the other library directors.  
Chelsea has published the programing lineup for the summer (attached).

### **FRIENDS & VOLUNTEERS**

The Friends have chosen a tote bag and stickers. They will be ordering the bags from Jenn-Tees in Traverse City.

### **BUILDING & GROUNDS**

We have received free remote water and temperature sensors from our insurance provider. After consulting with our insurance risk assessor I will be placing them in the crawl space with one near the bathroom plumbing to help detect leaks and monitor temperature.

We have had our every 5-year inspection of the water system from the Benzie/Leelanau Health Department. There were no problems reported at the time, and we will be getting a written report of the inspection soon.

### **TECHNOLOGY**

I am teaching the Tech Tuesday workshop's this month at all four Leelanau County Libraries. The subject is digital photography.

### **BUDGET INFORMATION:**

Financial Reports for April 2024 are attached with this report. With proposed budget adjustments, with 9% of the fiscal year elapsed we have spent 7% of the budget.

### **MISCELLANEOUS:**

We have received our first half of the annual State Aid payment of \$2,482.64. Once again this year we did not meet the required 3/10ths of a mil equivalent support for all townships. We were \$14,000 short of showing 3/10<sup>th</sup> mil equivalent so we did not receive state aid for Cleveland Township, population 1103 or \$1,109.37 in aid.
